(Must have previously attended 2 day injection training course)

Listen to what our past participants are saying....

“I feel much more confident and prepared as a new NP to do injections tomorrow and I cannot thank you enough. You were full of energy for the entire course, and really shed light on how these therapies continue to improve patient's quality of life.”

“Awesome training- hands down the best training I've ever had in 13 years in the medical field!”

“Practicing and performing injections” “Hands on experience with instruction”

“My NP was ready to go Monday morning with confidence performing injections.”
